

The Short-handed Sailing Association of Australia is proud to announce that **SECUMAR** will be sponsoring the first race of the SSAA Winter Series 2006.

The **SECUMAR** Sydney Harbour to Botany Bay and return race is on Saturday 22nd April 2006, and is a Cat 4 race.

This race will be a good warmup for the Winter Series, and a great way to get into shorthanding!

SECUMAR will be providing fantastic prizes for the winners of this event - two SECUMAR Survival 150 Inflatable Lifejackets with integrated yachtsman harness, with light and lifeline, to Cat 1 standard.

M.O.S.S. AUSTRALIA Pty Limited is the marine occupation safety and service expert and the local agent for the **SECUMAR** range of products. The company specialises in selling Inflatable Lifejackets and PFDs, Offshore Lifejackets, Lifebuoys and Man-Overboard Recovery gear, Distress Signals, Lights and Beacons.

For further information, sales and service please contact Graham and Beth Murray at **SECUMAR Australia** trading as M.O.S.S. Australia Pty Limited, 14/7 Packard Avenue, Castle Hill NSW 2154. Phone: (02) 9899 4747 or email: mossaust@bigpond.net.au

The SSAA Winter Series 2006 Notice of Series, Sailing Instructions and Entry Form can be found on the SSAA website: www.ssaa.com.au
